

# THE BEAT *dance co* season 16

## 2023-24 Policies & Fees

All BDC families must have a parent/guardian registered for an account with our **Dance Studio Pro** (DSP) system. As a DSP account holder, the parent/guardian can input family & student information, view our studio schedule and announcements, enroll in classes, access documents & sound files, and pay tuition online.

Payment to The Beat Dance Company is accepted through the DSP system by credit card, or in person at the studio by cash or check payable to The Beat. If paying by check, please be sure to write your child's name in the memo line. Credit is not accepted in person.

A non-refundable **Annual Registration Fee** is assessed upon registration for Season 16 classes at The Beat Dance Company, Ltd.. The rate is \$15 for a single student, or \$25 for a family (multiple students). Registration fees are due upon enrollment in order to guarantee placement in a class.

Our 35-week session will culminate with our recital week May 29-June 1, 2024. Most dance students participate in this, however, it is not mandated. Tumbling students do not participate in the recital. **Tuition** will be posted to DSP accounts in 5 installments during the season (every seven weeks). Tuition rates are based on hours of study per week at The Beat. All tuition must be received online by credit card or in person via cash/check in order to avoid a late fee. A charge of \$15 will be added to any account that remains unpaid one week past the due date.

### 2023-24 Session Dates/Tuition Payment Deadlines

Session #1: Aug 28-Oct. 16	Tuition Due no later than <b>September 5</b>
Session #2: Oct. 17-Dec. 12	Tuition Due no later than <b>October 24</b>

**Recital Costume Fees** will be assessed for all dancers performing in our Season 16 Recital in June 2024. Costumes typically range from \$45-\$75 per dance. Season 16 **Recital Tickets** are sold to our dance families and the community in order to cover the cost of auditorium rental, production expenses, and staffing. Reserved seating tickets are sold online approximately one month prior to the performance date. Dancers will not need a ticket for the recital.

We are happy to offer a **Family Discount Rate** for families with more than one child studying at The Beat Dance Company. Families receive 10% off their total tuition bill.

Our lobby remains closed to registered students waiting for class. Parents, please drop your dancer off just 5 min. prior to class, and pick up within 5 min. of class dismissal. Students age 6 & under are permitted one parent/guardian in the lobby during class time. Students are not permitted to bring friends/children not currently enrolled in classes to observe. While we love our furry friends, we have many students with allergies so we also ask that you help us keep The Beat a pet-free zone.
