

THE BEAT *dance co* SEASON 15

2022-23 Policies & Fees

All BDC dancers must have a parent/guardian registered for an account with our **Dance Studio Pro** (DSP) system. As a DSP account holder, the parent/guardian can input family & student information, view our studio schedule and announcements, enroll in classes, access documents & sound files, and pay tuition online.

Payment to The Beat Dance Company is accepted through the DSP system by credit card, or in person at the studio by cash or check payable to The Beat. If paying by check, please be sure to write your child's name in the memo line. Credit is not accepted in person.

A non-refundable **Annual Registration Fee** is assessed upon registration for Season 15 classes at The Beat Dance Company, Ltd.. The rate is \$15 for a single student, or \$25 for a family (multiple students). Registration fees are due upon enrollment in order to guarantee placement in a class.

Our 35-week session will culminate with our recital week in early June 2023. Most students participate in this, however, it is not mandated. **Tuition** will be posted to DSP accounts in 5 installments during the season (every seven weeks). Tuition rates are based on hours of study per week at The Beat. All tuition must be received online by credit card or in person via cash/check in order to avoid a late fee. A charge of \$15 will be added to any account that remains unpaid one week past the due date.

Season 15 **Recital Tickets** are sold to our dance families and the community in order to cover the cost of auditorium rental, production expenses, and staffing. Reserved seating tickets are sold online approximately one month prior to the performance date. Dancers will not need a ticket for the recital.

We are happy to offer a **Family Discount Rate** for families with more than one child studying at The Beat Dance Company. Families receive 10% off their total tuition bill.

Our lobby remains closed to registered students waiting for class (please drop your dancer off just 5 min. prior to class, and pick up within 5 min. of class dismissal). Please do not send food or drink other than water with your child. Dancers age 6 & under are permitted one parent/guardian in the lobby during class time. Dancers are not allowed to bring friends/students not currently enrolled in classes at The Beat to observe. While we love our furry friends, we have many students with allergies so The Beat is a pet-free zone.
