

The Beat Dance Company's Season 14 Recital

June 3 & 4, 2022 at the BGHS Performing Arts Center - 540 West Poe Rd., Bowling Green, OH 43402

GENERAL INFORMATION/ REMINDERS

General Costume Information/Care: Costumes will be sent home once they have arrived at the studio and your account is paid in full. We recommend trying them on once at home to be sure everything fits properly. Some costumes may need minor alteration (i.e. tacking pieces, taking in straps). Aside from that, costumes should only be worn at the dress rehearsal and recital... there should be no eating or playing in them. After the recital, anything goes! If your dancer needs to wear undergarments (most younger dancers do not for performance), please make sure they are skin-toned and do not show. Costumes should never be laundered. Please steam them if necessary, and hang them to get rid of wrinkles. Remember to label every costume piece, dance shoe and accessory.

Makeup & Hair: Stage lighting will wash out features on stage. We recommend black eyeliner & mascara, neutral eye shadow (beige or gray palette), and lipstick/blush in shades of red for dancers old enough to wear makeup. If you don't want to put makeup on your dancer you don't have to do so. Hair should be slick for any style so that it will hold during the performance. Remember that dirty hair will style more easily (don't use conditioner before styling). We recommend using a fine tooth comb, hair gel & hairspray, and a stronghold ponytail holders. All ponytail holders, bobby pins, and barrettes should match the dancer's hair color.

Preparation: Please remove jewelry & nail polish before leaving home for the recital (toenail polish too, for dancers who perform barefoot). Make sure your dancer is well-rested and nourished before the recital. We also ask parents of our younger dancers to be sure each child has used the restroom just prior to drop off in the dressing room area on recital day. All costumes, accessories, headpieces, and shoes should be clearly labeled with the dancer's name or initials. Help your dancer have a smooth changing experience by staying organized, sorting items by dance, and having a good method of organization for after performing. If your dancer has multiple routines we recommend that you print the show order, or make your own list including the order of performance and any important costume notes.

Backstage Reminders: Note that only BDC staff, dancers, and designated class helpers are permitted backstage. If your dancer has a quick change that you would like to assist, please make arrangements with the BDC staff on dress rehearsal day. Candid video/photos in the lobby and in the hallways backstage are permitted. Please be mindful of other dancers at the studio and refrain from taking photos in the dressing rooms unless you are sure no one is changing.

Theatre Etiquette: Please note that there is absolutely no videography or photography permitted during the recital. We do this to protect the privacy of your children & the choreography of our studio/teachers. Kindly remind your family members attending of this rule. Also note that there is no food or drink permitted in the auditorium or dressing rooms. Lastly, please remain seated during the performance. If you need to exit the theatre at anytime during the recital, we ask that you wait to do so until we are in between dances so no one has an obstructed view of their child's performance.

MINI MOVERS COSTUMES

All Mini Movers parents have freedom regarding makeup application for the recital. Our dancers will perform under stage lighting so their features will be slightly washed out. If you would like, you may apply some blush and lipstick. Additional eye makeup could also be worn (mascara, gray or brown shades of eye shadow). If you would prefer not to put makeup on your child you do not have to do so.

Level I: "You've Got a Friend in Me"
